

## Insulation Bid Sheet

### Scope

- A. Refer to site-specific plan provided by Green Country Habitat for Humanity (GCHFH) for general and supplementary site conditions.
- B. Contractor to provide all labor, operations, materials, and equipment necessary to complete this work.

### Products

- Spray foam insulation
- Foam baffles
- Plate sealant

### Application

- Installer must comply with insulation manufacturer's written instructions applicable to products and applications.
- Spray insulation to envelop entire conditioned air space as reflected in plans and specifications.
- Apply in multiple passes to not exceed maximum thicknesses recommended by manufacturer.
- Do not spray on rising foam.
- Apply only when surfaces and environmental conditions are within limits specified by the manufacturer.
- Install to specified thickness tolerances.
- Finish surface of foam insulation must be free of voids.

Please provide materials, labor, and equipment bid based on per square foot of treated area.
