

Paint Bid Sheet

Scope

- A. Refer to site-specific plan provided by Green Country Habitat for Humanity (GCHFH) for general and supplementary site conditions.
- B. Contractor to provide all labor, operations, and equipment necessary to complete this work.

Products

- GCHFH shall provide all paint, primer and caulking to complete project.
- Contractor to provide all tapes, paper and tools and sundries to complete project.

Application

- Interior and exterior surfaces.
- Prime required areas to be painted.
- Inspect all surfaces to be painted before starting work and report any defects to site superintendent before work proceeds.
- Painter must spread materials evenly; flow on smoothly without runs, sags, and voids.
- Workmanship shall be the best according to accepted practices performed by skilled craftsmen.

Clean-Up – Paint contractor must keep a clean and safe worksite, and take care to protect all surfaces and finishes from overpainting, including caulking.

Please provide materials, labor, and equipment bid based on per square foot of installation area.

Please reference which site you are bidding, include references, licenses and certifications. For more, including insurance requirements and accounts payable schedule, visit greencountryhabitat.org/bids.
