

Termite Pre-Treat Bid Sheet (2 pages)

Scope

- A. Refer to site-specific plan provided by Green Country Habitat for Humanity (GCHFH) for general and supplementary site conditions.
- B. Contractor to provide all labor, operations, materials, equipment necessary to complete this work.

Quality Assurance: The contractor shall be licensed and one that is regularly engaged in termite control work and have proof of at least 5 years of experience in area of service.

Submittals:

1. Submit five (5) year guarantee for termite control work from date of treatment. If during the life of this guarantee termite infestation or re-infestation occurs, the condition shall be serviced and remedied by the termite control subcontractor without additional cost to the owner.
2. Soil treatment application report. After termite application is complete, submit for owner's records and include the following:
 - a) Date and time of application
 - b) Chemical brand name and manufacturer
 - c) Quantity of undiluted product used
 - d) Dilution, methods, volumes used and rate of application

Products - Chemicals used must be those in compliance with the most stringent requirements of authorities having jurisdiction and with manufacturer's EPA-Registered Label for products.

Application

Treatment: Treatment shall not be made when the soil is excessively wet or immediately after heavy rains, to avoid surface flow of toxicant from application site. Unless the treated areas are to be immediately covered, precautions shall be taken to prevent disturbance of the treatment by human or animal contact with the treated soil. Proprietary products shall be applied at no less than the minimum rate stated when

registered. All treatment to be in accordance with the recommendations of Forest Insect Research, Forest Service, U.S.D.A., EPA.

Slab on Grade

1. Apply an overall treatment under the entire surface of floor slab including porch floors and entrance platforms.
2. Apply to critical areas along both sides of foundation wall.

Please provide materials, labor, and equipment bid based on per square foot of treated area.

Please reference which site you are bidding, include references, licenses and certifications. For more, including insurance requirements and accounts payable schedule, visit greencountryhabitat.org/bids.
